

## **Junior League of Greater Kansas City Advanced Leadership Certificate Series**

### **2022-2023 Module Topics**

#### **Module 3: Leading Quietly**

Too many of our models for effective leadership are outdated heroic models -- "command and control" models that have limited value in today's shared power world. Leading quietly embraces the idea that highly effective leaders exist at all levels of an organization and often are not at the top of the letterhead; class participants will learn skills in moving forward organizational priorities from any place in the structure.
